VOTE FOR HARRIETT LEECH INCUMBENT City Treasurer 16 YEARS' EXPERIENCE LOYAL — DEPENDABLE

Sciarrotta says:

Ross A. Sciarrotta College Government Instructor and Lecturer

It tends to degrade and it is an insult on the intelligence of the Torrance voters when a group of individuals, in a local election get together and ask the citizens of Torrance to vote for a given slate of candidates. These people want to leave NO CHOICE to the voter.

Fortunately, the majority of our people tear these slates apart and vote for the candidates they deem best qualified for the office. This is as it should be. It is an entirely different story when a group tries to promote ONE single candidate into office. This type of action cannot be construed as that of "railroading" a whole group into office either to perpetuate an existing regime or create a new one. Our citizens should be aware of the unsavory political maneuvers and vote for the candidates of their choice.

Qualifications:

- 1. College graduate with major in Political Science.
2. Served eight years on the Civil Service Board.
3. College instructor in the field of Government and World Affairs.

6. Treasurer of a 7 1/2 million dollar Teachers' Credit Union.
